

Top 5 Execution Venues Annual Report 2023 (For calendar year 2022)

Introduction

This report provides Mitsubishi UFJ Investor Services & Banking (Luxembourg) S.A.'s ("MIBL's") top five execution venues, for each class of instrument traded for 2022 (1st January 2022 to 31st December 2022).

MIBL does not undertake transactions for Retail clients.

Consequently, the information provided in this report relates to transactions undertaken for Professional Clients only.

Summary

MIBL has established a Best Execution Policy which sets out the sufficient steps in order to obtain the best possible result when executing client orders.

Price, Availability, Speed, Likelihood of Settlement are the execution factors MIBL considers most important to achieve the best possible result when executing client orders.

MIBL considers monitoring on a real-time basis as the most effective method of ensuring execution quality and has implemented a number of internal mechanisms to perform quantitative and qualitative analysis of execution quality carried out by the Trading and Risk functions. In addition the Compliance function conducts reviews of the best execution monitoring and overall framework.

MIBL does not enter into arrangements to receive any remuneration, discount or non-monetary benefit for routing client orders to a particular trading venue or execution venue which would give rise to potential conflicts of interests or inducement.

There were no changes to the approved execution venues during 2022.

MIBL does not use the output of a consolidated tape provider.
